# WADDAH BASMAJI

## MANAGING DIRECTOR

Waddah has nearly thirty-eight years of experience as a construction professional. After his graduation as a Civil Engineer from Beirut Arab University in 1987, he joined Ghiyath Al Nasser Consultants, Aleppo, Syria as a Project Manager responsible for a residential compound with a built-up area of 80,000 sq. m. In 1991, he moved to U.A.E. where he worked with Amana Abu Dhabi as a Construction Manager putting the foundation stone for Operations Department. He went up the corporate ladder to become Dy. General Manager Amana Dubai in 1997 and later a Partner and General Manager Amana Sharjah in 1998.

During 11 years of association with Amana, Waddah had successfully orchestrated execution and delivery of 235 projects with an approximate total value of AED 1.5. billion. The following are some of the major projects delivered:

- **National Cable Industries Factory in Sharjah with a built-up area of 20,000 sq.m.**
- **Hempel Paints Factory in Sharjah with a built-up area of 19,500 sq.m.**
- **First Gulf Bank in Ajman with a built-up area of 24,000 sq.m.**
- **Boat Factory for Gulf Craft Co. in Umm Al Quwain with a built-up area of 12,600 sq.m.**

In 2005, Waddah co-founded and chaired CTC Group in Ras Al Khaimah. The Group comprised six companies finely tuned to provide wide spectrum of construction services.

1. **Construction Technology Contracting Co.**
2. **MEPCO Electro Mechanical Works Co.**
3. **Designbay Engineering Consultants**
4. **RAK Precast Co.**
5. **Steel House Construction Co.**
6. **UNESIA Aluminium Contracting Co.**

The Group delivered 158 projects with an approximate total value of AED 721 million. The following are some of the major projects delivered:

- **325-room Hilton Ras Al Khaimah Hotel, a turnkey project with a built-up area of 37,000 sq.m. and 26,000 sq. m facilities.**
- **389 Warehouses with a built-up area of 37,376 sq. m.**
- **Staff Accommodation with a built-up area of 24,134 sq.m.**
- **10-storey Smart Office Building with a built-up area of 19,500 sq.m.**

The 2008 turmoil necessitated restructuring of the business, thus CTC Group was dissolved and ASIA Group was founded on competent skills, adequate resources, proper timing of activity planning and performance, teamwork, effective communication, "**ASIA PRIME**" Group is active in both U.A.E. and Kingdom of Saudi Arabia and it comprises:

1. **ASIA Prime General Contracting Co. LLC**
2. **MEPCO Electro Mechanical Works LLC**
3. **UNESIA Interior LLC**
4. **UNESIA Aluminium Contracting Co.**
5. **Aegis Roofing Company (ARCO)**

# MAZEN KHAZAAL

## DEPUTY GENERAL MANAGER

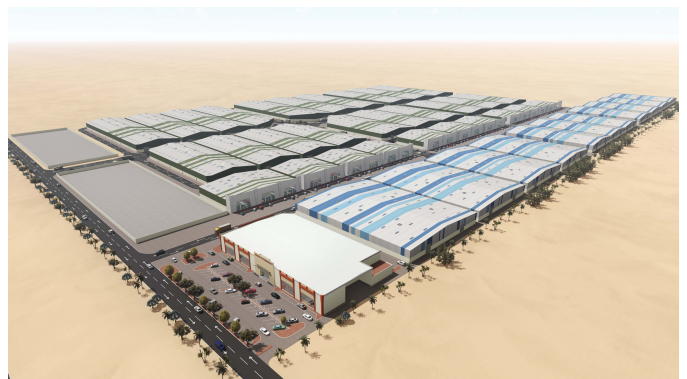

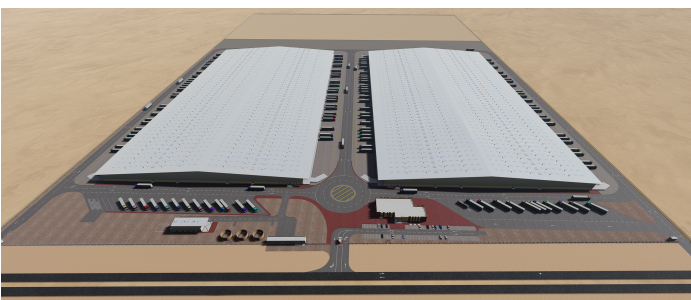

In 2010, Mazen joined ASIA Prime Group as an integral part of our Business Development team. Since then, he has rose and handled various positions up to his current position of Deputy General Manager, where his expertise in sales and experience as a Civil Engineer provided him with much skills and knowledge relevant to his current job.

He received his Bachelor's Degree in Civil Engineering from Beirut Arab University in 2001. Mazen has an extensive background in Sales; identifying and developing the relationship with our existing and new clients. This, together with his efficient and effective management style, has proven to be an ace up in his sleeve in improving, together with the General Manager and our Managing Director, the status of MEPCO & ASIA Prime in the construction industry in U.A.E. and in other locations.

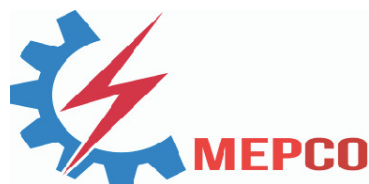

### Major Projects Involved:

- Showrooms cum Warehouses Building - Umm Al Quwain, U.A.E.
- Design & Construction of Borouge Permanent Warehouses - KIZAD, Abu Dhabi
- New Gynecology & Fertility Center, Latifa Hospital, Al Jadaf, Dubai
- Proposed Sheds on Merged Plots – Umm Al Quwain, U.A.E.
- Proposed Residential, Commercial Block and Labor Accommodation, UAQ, U.A.E.
- Proposed Warehouse Building + Fence; Adel Bin Amin Bin Mohammad Fatani – UAQ, U.A.E.

# INTRODUCTION

# MEPCO ELECTRO MECHANICAL WORKS LLC

**MEPCO Electro Mechanical Works LLC**, a First Grade SEWA, FEWA registered and Civil Defense certified company, was established in 2006. Since its launching, **MEPCO** secured and successfully completed several prestigious projects. **MEPCO** specialized in design, supply, installation, commissioning and maintenance of Electrical, Mechanical, Plumbing, Air Conditioning and Fire Fighting Works. Within a short period, **MEPCO** has taken the lead in the race of all other prevailing Electro Mechanical companies in the region.

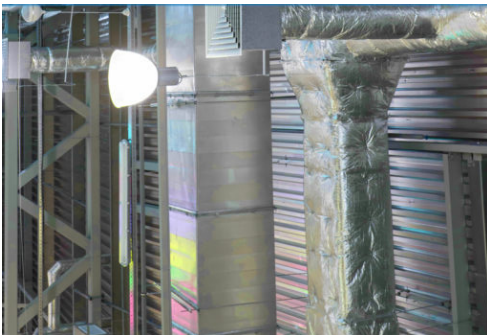

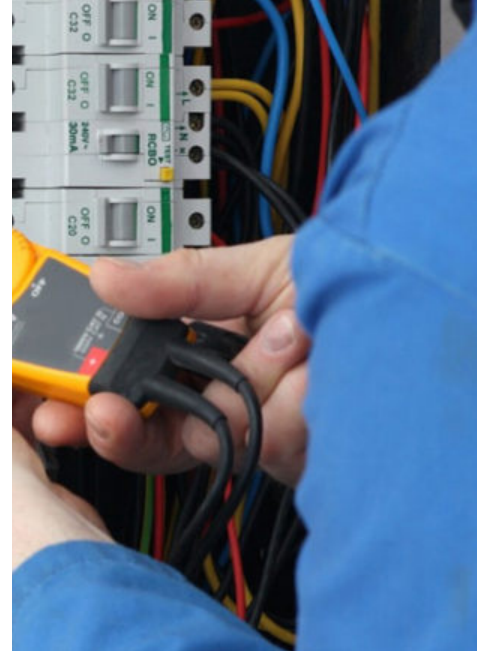

We design, prepare and interpret all kinds of Industrial, Residential & Commercial Electro Mechanical drawings and schematics. **MEPCO** demonstrates and apply knowledge in Electro Mechanical theory and mathematics in the construction and operation of Electro Mechanical systems.

We believe the successful business operation of **MEPCO** built upon the principles of fair dealing and mutual respect we developed through positive relationships with Clients/Customers. **MEPCO** demonstrated technical skills in a variety of Electro Mechanical fields, applies accepted safety standards and meet work quality standards.

## ELECTRICAL

- Complete Electrical installations for high-rise commercial & residential buildings, hotels, industrial complexes, warehouses, luxury villas, airports etc.
- Supply and installation of diesel generating stations including, L.V. switchgears, motor control centers and specialized panels.
- Street lighting installations.H.V. / L.V. cabling.
- Erection & commissioning of electrical sub-stations.
- Low voltage & current installations like fire alarm and emergency lighting systems, security system, access control system, public address system, C.C.T.V., M.A.T.V. / SMATV systems, telephone, and computer installations, master clock systems etc.
- Lightning protection.
- Building management systems.
- Dimming/Lighting controls for residential and commercial projects.

## AIR CONDITIONING

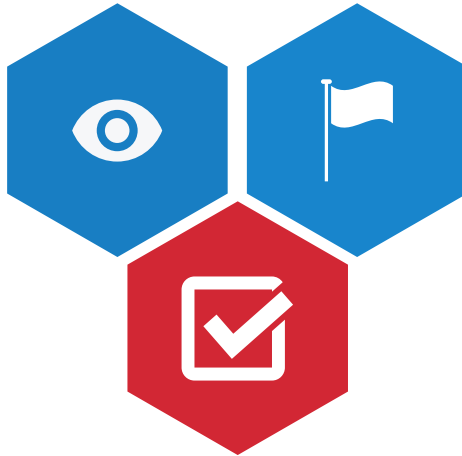

- Ducted split unit system.
- Package unit system.
- Centralized or individual ventilation/exhaust air systems.

## PLUMBING, DRAINAGE AND FIRE FIGHTING

- Water supply and drainage system to high rise commercial & residential buildings, industrial complexes, warehouses, luxury villas, airports, etc.
- Firefighting installations.
- Sprinkler installations.
- Pumping stations installations.
- Sewage treatment plants.
- CO2 & FM 200 installations.
- Compressed air piping systems.LPG Gas system.

# VISION, MISSION AND CORE VALUES

## VISION

To be a Total Solution Provider for all sorts of Electro Mechanical Works in the region.

## MISSION

We are committed to continuously provide quality services/high level job performance safely, maintain honorable relationship with Clients as well as profitably meeting our business objective.

## CORE VALUES

### CUSTOMER SATISFACTION

**MEPCO** maintain a strong foundation of trust and mutual respect generated through positive relationships with Client/Customers. We interpret the ideas and develop plans through communicating with Clients and fulfilling their expectations.

### TEAMWORK

Working together is success. **MEPCO's** ability to direct individual accomplishments towards organizational objectives is the fuel that allows us to attain uncommon results.

### QUALITY SERVICE

**MEPCO** implements a Quality Management System with high standards to provide high quality, efficient and cost effective services for Projects.

### SAFETY FIRST

"Safety First" is "Safety Always".

**"EFFECTIVENESS WITHOUT VALUES IS A  
TOOL WITHOUT A PURPOSE."**

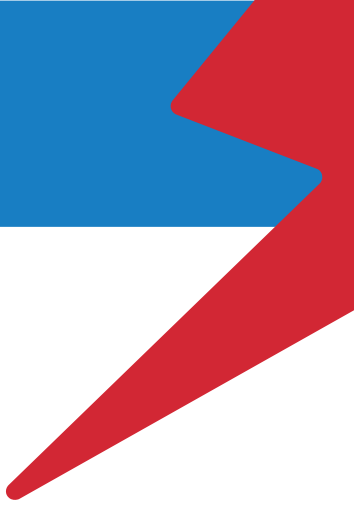

# ENTERPRISE RESOURCE PLANNING SYSTEM

Enterprise Resource Planning which is commonly known by its abbreviation ERP, is the integrated suite of business applications to collect, store, manage, interpret and analyze data from several business activities. ERP Software suite runs on a common database, eliminating chances for repeated data entry and duplicate data.

**MEPCO** functions on ePROMIS ERP software suite for integrating various departments and functional areas across the Group. This ERP software enables real time synchronization of key enterprise functionalities such as Accounts and Finance, Human Resources, Sales and Marketing, Procurement, Project Costing, Customer Relationships and Cost Control.

This company-wide integrated information system supports the Group to perform daily business activities as consistent as possible, delivering superior customer experience thus building strong brand equity.

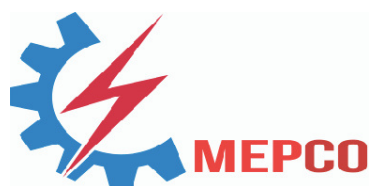

We will meet our commitment by:

- 

# FINANCIAL INFORMATION

# FINANCIAL INFORMATION

**MEPCO** follows the International Accounting Standards and Practices set forth by IASB and produces financial statements every year. Currently, **MEPCO** enjoys a healthy working relationship and maintains international banking facilities with **First Abu Dhabi Bank**.

**MEPCO** realizes the importance of analyzing Company's financial position and has a clear understanding of how its business is doing financially. For **MEPCO** to be able to predict and plan for the future, a fairly thorough understanding of financial statements is essential. A sound understanding of financial statements will:

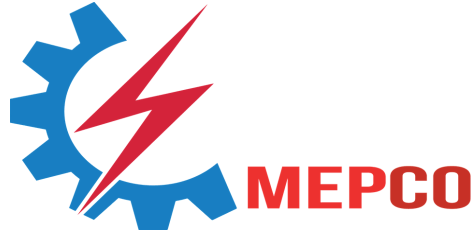

- Identify unfavorable trends and tendencies in the business's operations.
- Monitor cash flow requirements on a timely basis, and identifying financing needs early.
- Monitor important indicators of financial health.
- Monitor periodic increases and decreases in financial position.
- Monitor performance against **MEPCO** developed financial plan.

# GROUP OF COMPANIES

# GROUP OF COMPANIES

## UNESIA

ALUMINIUM CONTRACTING CO. LLC  
شركة يونيسيا لمقاولات الألمنيوم ذ.م.م

ARCO | شركة إيجيس للأسقف  
AEGIS ROOFING COMPANY

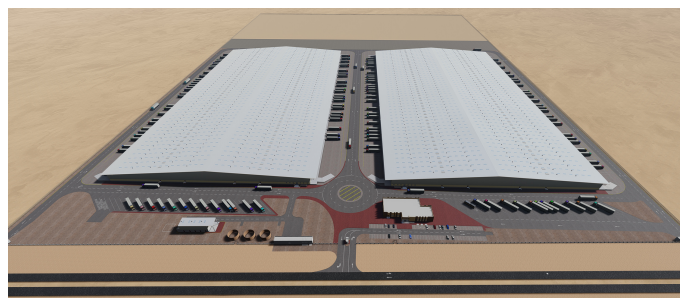

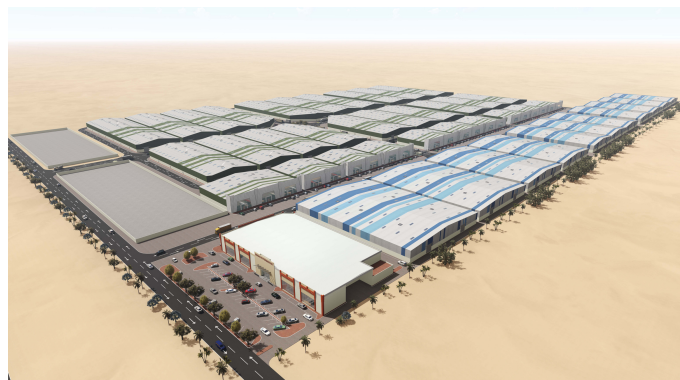

With a successful track record of nearly 38 years, **ASIA Prime General Contracting Co. LLC**, specializes in all kinds of Design Build Projects; High-Rise Steel & Concrete Buildings, Industrial, Commercial, Institutional and Residential Facilities.

**ASIA Prime** is ranked among the top Contractors of the region with its substantial experience in bringing difficult and sensitive projects to be successful completion with high quality standards.

The ISO 9001 Certified Company's philosophy remains Client driven rather than revenue driven. With the market of work, **ASIA Prime** target customer satisfaction, repeat business and excellent referrals from previous projects.

The highly qualified and experienced Management Team, professional Staff members, and quality workmanship with the best skilled site personnel available in the region are **ASIA Prime's** personal vanities. The Management expertise is supported by state-of-the-art information and technology systems that interface to provide accurate estimation, realistic planning, efficient project management and effective cost control. We believe that our competitive advantage results from the mutual trust and respect that we share with our employees, clients, consultants suppliers and sub-contractors.

## UNESIA

ALUMINIUM CONTRACTING CO. LLC  
شركة يونيسيا لمقاولات الألمنيوم ذ.م.م

**UNESIA Aluminium Contracting Company LLC** is a leading Aluminium, Glazing, Carpentry, False Ceiling & Interior Decoration Works Contractor supplying and installing a wide variety of systems to meet the demands of construction industry.

Commercial & Residential developments have been successfully completed throughout U.A.E. High Standards are ensured by the efforts of our professional and experienced Managers and Engineers.
